ACADEMICS

CREDITS

Starting the 2024-25 school year, CGHS will now be on semesters, rather than trimesters. This will also change the amount of credit per class that is issued. Previously, a single class was worth one credit and students needed 72 credits to graduate.

With semesters, each term of a class is now worth a half credit and depending on a student's graduation year, the amount of credits needed to graduate will range from 60 to 24. Students have a potential to earn 8 credits per semester

SCHEDULE CHANGES

Students receive a schedule based on their pre-registration requests and course availability. There will be a brief opportunity for student-preference schedule changes during the first three days of each semester and will be made on a space availability basis only. Students will need written permission from their parents and teachers. ****All schedule changes MUST go through the counseling office and/or administration. Students may NOT drop courses on their own.***

I. GRADES

Cottage Grove High School uses a semester grading system in which only the semester grade is recorded on the student's permanent record. Grades are issued to students every twelve (12) weeks in all subjects.

Additionally, letter grades may include a + (plus) or – (minus) to more accurately reflect student progress and performance. The following scale will be utilized to compute student GPA

A	Has met the established required and additional criteria and consistently exceeds that criteria a high level
B	Has met the established required and additional criteria
C	Has met the established required criteria but not all of the additional criteria
D	Has minimally met the established criteria
F	Has not met the established criteria for the majority of the work/course
P/NP	One elective course may be selected each semester

Once all required subject areas have been met, students may request to take one **elective course** per term as Pass/No Pass. **Students may make this request at any time during the semester, but no later than 2 weeks before the last day of the semester.** Once made, this designation cannot be reversed. A student meeting the course standards shall be given a grade of “P” (Pass), but if he/she fails to meet the minimum standards, a “NP” (No Pass) shall be recorded. The mark will not be included in the computation of grade point average in either case.

II. ACADEMIC HONESTY

Academic honesty is highly valued at CGHS, students will not earn credit for work that is not their own.. Because of the serious nature of academic honesty, violations (cheating, plagiarism, taking credit for someone else's work) and may also entail disciplinary actions.

III. MAKE-UP WORK

Students must assume the responsibility for making-up work missed for any **EXCUSED** absence. Teachers will allow time equal to the number of school days missed to complete missing assignments (e.g. - Students have two days to make-up work if they were absent for two school days). The student must take tests the day the student returns to school unless other arrangements are made with the instructor. The ability to make up missing work or receive full credit for the work due to an unexcused absence will be left to the discretion of the teacher and school administration. (OAR 581-021-0081)

V. SPECIAL PROGRAMS

Sometimes students seem to be making progress at school, but parents see them struggling at home. If you believe your child has significant problems understanding and learning the curriculum, or you observe major social problems, please speak to a counselor or administrator. There is an array of school and community support services that could be of benefit to your child. Staff can assist families to connect with these services.

Special Education Services

CGHS provides all students eligible for an I.E.P. (Individual Educational Plan) and Section 504 students with appropriate educational services based on individual needs.

Talented and Gifted (TAG)

Talented and gifted opportunities are provided through our college preparatory course offerings. In addition, there may be other opportunities available throughout the year.

Program Exemptions

Students may be excused from a state-required program or learning activity for reasons of religion, disability or other reasons deemed appropriate by the district. An alternative program or learning activity for credit may be provided. All such requests should be directed to the principal or designee in writing by the parent and include the reason for the request.

Alternative Education

Cottage Grove High School is committed to providing educational options for our students. We recognize there are students whose needs and interests are best served through participation in alternative programs. In an effort to help each student find a path to educational success, CGHS, along with students and parents, may explore an alternative education program. For more information, please contact our school counselors (541) 942-3391.

While parents have the option of placing their children in a private school or obtaining additional services (such as tutoring) from a private individual or organization, the District is not obligated to cover resulting tuition or costs. If a parent wishes the District to consider publicly funding private placement or private services, the parent must give the District notice and opportunity to propose other options available within the public-school system before the private placement or services are obtained. For any regular education, 504, or special education student, a parent must give notice either at the last IEP meeting prior to obtaining private services or in writing at least 10 business days prior to obtaining private services. The notice must include the parent's intent to obtain private services, the parent's rejection of the educational program offered by the District, and the parent's request that the private services be funded by the District. Failure to meet these notice requirements may result in a denial of any subsequent reimbursement request.

Bilingual Students

The school provides special programs for bilingual students. A student or parent with questions about these programs should contact Michele Hilton, (541) 780-2136

VI. TESTING SCHEDULE

In May, some students will take Oregon State Assessments (OSAS). Testing information will be posted on our website. 11th grade students will take the language arts, science, and math assessments the week of **May 5th, 2025**.

The Oregon Senate approved HB 2655 that enables parents to opt their children out of OSAS testing. If you would like more information, please contact Mrs.Sandefur.

VII. ADVISORY PERIOD

Cottage Grove High School utilizes an advisory period every day, except for Wednesdays. This advisory is a 35 minute period that will include student advisory, assemblies, career/college prep and academic enrichment/interventions. This is a pass/no pass class, students who have more than 6 unexcused absences from advisory will earn a no pass. Advisory grades are included on report cards and transcripts.

ACTIVITIES

I. ELIGIBILITY

The procedure for determining the eligibility of a student to participate in any activity is as follows:

- A. Eligibility for any student activity that requires more than twenty hours per semester beyond the normal classroom and/or in which the student represents CGHS in a performance or competition held outside our regular class schedule is determined by the following criteria:
1. Athletes must sign up on FamilyID.com and students participating in activities must have a current Permission Form on file.
 - a. Athletes must maintain a cumulative attendance rate of 90% or better be eligible.
 2. Students must also meet the following OSAA requirements:
 - a. Have passed 5 classes in the previous grading period as well as meeting credit requirements.
 - b. Currently enrolled in 5 classes.
 - c. Maintain satisfactory progress towards the OSAA graduation timeline.
 - d. Had at least a 2.0 GPA in the last completed semester.
- B. In addition to the previously mentioned requirements, students participating in athletics need to:
1. Have a current physical exam on file (within the last year)
 2. Be impact tested every two years (concussion protocol)
 3. Provide proof of current insurance
 4. Pay all required athletic fees (scholarships available) and/or fines prior to first contest
 5. Submit to mandatory drug testing

II. ATHLETIC/ACTIVITY CODE

Please be advised that the athletic activity code will be **in effect for the entire time period the student is attending Cottage Grove High School, including out of season or during the summer**. This means that **ALL** athletes and students participating in qualifying activities are required to follow the code throughout the student's career at Cottage Grove High School. Athletes and families receive a copy of the code in their athletic handbook at the beginning of each season.

Any activity that would constitute a violation of the athletic/activity code may also result in a student being removed from consideration for honors/activities including, but not limited to, Homecoming Court, Prom Court, Lion Pride Pageant, Drama Productions, Competition Musical Groups, Talent Show, Student Government, Leadership Class, etc. Also, to be selected for these honors/activities a student must meet the OSAA's standard by being enrolled in at least five classes.

III. ATHLETICS

Physicals

Oregon State Law requires athletes to have a physical once every two years. Physicals must be completed and physical forms returned to the athletic department before a student will be permitted to participate in a sport.

Student Drug Testing

Each student and his/her parents must consent, in writing, to drug testing if he/she wishes to participate in athletics and/or extracurricular activities. Please refer to the District's policy JFCIA for details.

Letters and Awards

Letters shall be awarded to varsity competitors who have completed the season in good standing and who have fulfilled the criteria established by the current coach(es) for that sport. A certificate of participation shall be presented to all members completing the season in good standing who do not receive letter awards.

Athletic/Academic Referral

If a student receives an academic referral or progress report showing they aren't passing all classes, they will immediately be ineligible for competitions until their GPA is above 2.0 and they are passing 5 out of 8 classes. If they have one or more F's, they must attend Wednesday school until they no longer have any F's and their GPA is above 2.0.

School Attendance During Sports Season

Athletes must attend all class periods each day they are enrolled. If they miss any periods, they will be ineligible for the next contest unless the absences are excused for legitimate reasons, such as a doctor's appointment. Special circumstances may allow for waivers, granted by school administration.

Daily attendance reports will be sent to coaches everyday. Athletes with 2 or more unexcused absences (or 4 out of 8 on Wednesdays) or those out due to illness will not be allowed to practice or play that day. Unexcused absences can be cleared before 4 p.m. to regain eligibility.

Tardies will result in school consequences. Athletes are expected to be on time, and coaches may impose additional consequences. Note: being more than 5 minutes late to class is considered an absence.

Dances

Dances are open for students and their guests. A student is responsible for the conduct of his or her guest. Students must be in good standing to be eligible to attend dances. Good standing includes passing classes, meeting attendance requirements and meet CGHS behavior expectations.

Requirements for admittance to school dances:

1. Students of South Lane School District with their current student body card.
2. Guests of students with approved guest passes. Guest passes must be approved prior to dances. Guests ages 21 and over will not be permitted.

Student Clubs

The South Lane School Board believes in and approves of a sound student activities program, including school related special interest clubs. Such programs can enrich the regular school program, offer opportunities for participation in democratic citizenship, stimulate cooperation, provide for social integration and open many opportunities for the development of leadership, individual interest and abilities.

Applications to form a new club can be obtained and approved by Mr. Bridgens. Prior to submitting the application, you will be required to find a teacher to supervise your club. All school-sponsored activities must be under the supervision of a school employee or an approved advisor. ATTENDANCE

All students are expected to attend every scheduled class period, every school day. Regular attendance is required by law and is essential for the educational progress of the student. An absence from class is difficult, if not impossible, to make-up completely. Staff will monitor and report violations of the state compulsory attendance law and attendance interventions.

Excused Absences

Under the Oregon Law (ORS 339.065) a student's absences may be excused by a parent or guardian for specific reasons, which are:

- Personal illness or medical appointment
- Family illness, requiring a student to be home
- Emergencies

Excusing an absence

Whenever possible, parents/guardians should call prior on the day of the absence. Only a parent/guardian listed on the student's information sheet may excuse an absence by using a verified email to attendance secretary, or phone call from verified numbers, explaining the reason for the absence must be received from a parent/guardian, within 2 school days from the absence.

After missing 3 or consecutive school days, only a doctor's note will excuse the absence. Students with 10 or more absences due to illness will be asked to provide a note from a physician and/or meet with their counselor and school administration.

Unexcused Absences

An unexcused absence is any absence taken without being excused by a parent/guardian within two school days. Emails and phone calls received after the 2-day period will not be excused without administrative approval.

First tardy: Redirection, reminder
Second tardy: Private teacher conference
Third tardy: Parental conference
Fourth tardy: Administrative referral
Fifth+ tardy: Administrative referral

A student who is absent from school or from any class without permission will be considered truant and will be subject to disciplinary action including detention, loss of off campus lunch privilege, ineligibility to participate in athletics or other activities and/or loss of driving privileges with the DMV.

Unexcused Absence Procedure

When a student has an unexcused absence, there are multiple opportunities for them to either have the absence excused or make up the time missed. Unexcused absences will earn consequences, such as lunch detentions and Wednesday schools.

Pre-Arranged Absences

Pre-arranged absence forms are available at the attendance desk for communicating planned absences with teachers, however these absences will be coded as unexcused parent permission (UPP), meaning that the school was notified, but the absence isn't for one of the above excusable reasons.

Chronic Absences, Truancy Process and Privileged Events

The state of Oregon defines chronic absenteeism as, "*missing 10 percent or more of school days in an academic calendar year for any reason including excused, unexcused and disciplinary exclusion.*" Missing more than 2 days of school a month (18 days a year), for any reason, can put a student on the path to being chronically absent. Being chronically absent has been shown to negatively impact a student's learning and can make it difficult for students to graduate, no matter the reason for the absence.

Students who miss more than 10% of the school year at any point of the school year for any non-school related reason, will need intervention via the truancy process. which may include truancy letters, mandatory parent-admin meeting, attendance plans, exclusion from school events, dances, performances, athletics and removal from teacher/office assistant positions, revocation of free periods and exclusion from graduation ceremony.

Illness and Injury

If a student becomes ill or injured during the school day, he/she must report to the attendance office. A parent/guardian will be contacted before the student goes home. If a student leaves campus without following the proper checkout procedure, he/she will be considered truant from class.

Requests for Homework Assignments

If a student is ill or injured, parents/students can log onto Home Access Center at bit.ly/CGhomeaccess to request homework directly from the student's teachers. In cases where it is known that the illness or other physical disability will be for an extended period of time, the parents should contact the counseling office.

Timeliness To Class

Being on time and prepared for class is not only important to the success of a student; it is also an important life skill in the real world beyond high school. Students late to class will face the following school-wide consequences:

STUDENT EXPECTATIONS

CGHS students make their school a place of pride. In order to make this happen, every lion adheres to R.O.A.R.S. (Respect, Organized, Active, Relentless and Safe). Here's what ROARS means and how it applies to the different parts of a student's day.

R.O.A.R.S	Class & Group Time	Individual Time	On Campus	In the Community
Respectful <ul style="list-style-type: none"> Respect yourself, others and your surroundings. 	<i>When I see something, I say something.</i>			
	I use positive language towards myself and others. I respect my environment.	I use social media in a positive way. I communicate respectfully to others.	I take care of campus buildings and grounds. I choose respectful language.	I honor my school and community with my behavior and words. I leave places I visit better than I found them.
Organized <ul style="list-style-type: none"> Have a system for planning and use it. Complete work on time. 	I am on time and ready. I put effort into my work with others.	I have a system to organize and prioritize for each class. I honor deadlines for assignments.	I prioritize class time for learning. I use outside of class time for taking care of other business.	I know where I need to be, when I need to be there, and what I need to bring for school trips. I am on time.
	Active <ul style="list-style-type: none"> Be present and ready to work Advocate by checking in with your teacher. Know your grade by checking HAC. 	I choose to focus and be actively engaged in the lesson with my peers and classroom activities.	I advocate for myself and take ownership of my success. I take pride in my work.	I get involved in school clubs, activities, and sports to enhance my social experience. I am brave and try new experiences.
Relentless <ul style="list-style-type: none"> Learn from your struggles. Keep trying and ask for help. 		I encourage and support others to keep going when we encounter challenges.	I recognize my struggles and work to overcome them.	I take ownership and learn from my mistakes and understand they don't define me.
	Safe <ul style="list-style-type: none"> See something, say something. Make healthy choices. Make CGHS a place for everyone. 	<i>When I see something, I say something.</i>		
I use my influence to keep our classes safe, positive, and focused.		I make healthy and safe choices.	I use my influence to keep our environment inclusive, sustainable and clean.	I value my neighbors' rights and perspective. I know how my behavior affects those around me.

Behavior Support Process

When a student does not meet behavioral expectations, staff will follow the following steps in the classroom for minor infractions:

1. **Redirect** - Staff member will redirect student
2. **1:1 Conference** - Staff member will have a 1:1 conversation outside of the class with the student to remind them of the expectations, check their understanding, and return to class
3. **Parent Phone Call** - Staff member will have a phone conference with the student's parents
4. **Referral** - Staff member will write a referral for the student, which will require a conference with a school administrator, phone conference with parents and a possible school consequence

Minor infractions can develop into major infractions depending on frequency and severity. Major infractions will result in a referral, an investigation and the activation of the student's due process rights.

Professional Readiness Score

What are Professional Readiness Scores?

- PR Scores are a tool that clearly communicates a student's history and habits regarding attendance, punctuality, and the ability to work collaboratively while completing assigned tasks
- PR Scores are a straightforward numerical rating system that is easy to interpret and incorporate into the application process

How are PR Scores communicated?

- Each student can provide their Professional Readiness report that shows semester and overall scores
- We want students to aim for "5's" but a score of "3" or above shows positive habits

How are Professional Readiness Scores reported?

- At the end of each semester, parents and student receive the Professional Readiness Score report
- Reports are available separate from grade reports and are not included on student's transcript
- Potential employers, recruiters, and scholarship committees can request Professional Readiness Scores as an accompaniment to application

Only scores are reported, no information about behavioral incidents, specific tardy or attendance information is released to any potential employers.

How are PR Scores calculated?

Once per semester, office staff pulls data to evaluate students on an individual score (5 to 1) on the following standards:

- Attendance – 40% of Score
- Punctuality – 20% of Score
- Behavior – 10% of Score

Once per semester, teachers evaluate students on an individual score (5 to 1) on the following standards:

- Self Management – 15% of Score
- Work Management – 15% of Score

Self Management: How well does the student participate, communicate with peers & teachers, produce, and work in teams to identify and solve problems.

Work Management: How well does the student plan organize and complete assigned tasks in a timely manner

GENERAL INFORMATION

ASSEMBLIES

All students will attend all assemblies and remain in the assembly unless authorized by the administration. Assembly productions provide experiences which allow for learning proper conduct that reinforce the proper conduct and etiquette required for public events. In keeping with this philosophy, students need to be on time and behave appropriately.

BATHROOM USE

Students are expected to use the bathroom during passing and break times. Bathroom use is prohibited in the first 5 minutes and last 5 minutes of class. To use the bathroom students must gain teacher permission, sign in and out on the bathroom log, and use a CGHS Hall Pass. Teachers will limit bathroom passes per term. **When more than one student is found in the same bathroom stall or single occupancy bathroom will be searched by CGHS administrators and will have parents contacted.**

CLOSED CAMPUS

Once a student has arrived on campus, he/she is expected to attend all his/her classes and remain in the building. Late arrivals or students returning from appointments must check in through the office by signing in and gaining a pass. Students are not permitted to leave the school grounds during the regular school hours without parent or administrative permission. Students leaving for appointments must checkout through the office.

Leaving campus at lunch is a privilege, not a right. Students may lose their off-campus privilege due to excessive tardies, poor attendance, academic concerns or behavioral problems.

COMMUNICATION

You can expect communication from CGHS Staff the following ways:

- **Remind Messaging** - Remind messaging utilizes text messages via smartphone. These messages are only between the CGHS and students/parents. You may receive messages regarding school closures, classes, attendance and general school announcements. This service is linked to our student information system and will automatically include student and parent cell phone numbers. If you are unsure if your cell phone number is included you can sign up by texting the message @cghslions to the number 81010
- **Parent Pipeline** - The Parent Pipeline is the schoolwide newsletter that is emailed to parents every month during the school year. You will find out about upcoming events and general school announcements.
- **CGHS Website** - Visit slane.k12.or.us/cghs to access Parent and Student calendars, resources and announcements.
- **Social Media** - Follow us on Instagram (@cottagegrovehs) and Facebook (facebook.com/cottagegrovehighschool/) for current and upcoming events.

DRESS CODE

Student Dress and Grooming

While at school or participating in educational programs or/a school-sponsored activities, dress, and grooming will not substantially disrupt the activity or constitute a threat to the health and safety of the student or others. Provisions for dress and grooming for special activities should arise directly out of the needs of the activity. Student dress and grooming shall be clean and in keeping with health, sanitary, and safety practices. If undergarments are visible, school staff will ask the youth to put on additional clothing. Because of health and safety considerations, students are required to wear footwear while on district property or while participating in school activities on and off district property.

Clothing with Obscene or Profane, or Illicit Drug References

Obscene or profane references and comments and clothing with drug/alcohol are prohibited. **Students not complying with the dress code will be required to change their clothing or face discipline consequences.**

SCHOOL ELECTRONIC DEVICE POLICY

Students can access their devices during breaks and passing periods. Devices may not be used during class time, unless the teacher has given permission for use. All students in lunch detention, Wednesday school detention or in-school suspension will surrender their devices to campus security until the end of the detention.

The following process will apply to students who are in violation of this policy over a **single** or **multiple days**:

1. **First warning:** staff will ask the student to put their device away.
2. **Second warning:** staff will ask students to surrender their device to the device bank inside the classroom. The student can have the device back at the end of class.
 - a. Failure to surrender their device will result in the loss of the device for the entire day. The device will be powered off, taken to the school's vault, and locked up. The student can pick up their device at the end of the school day.
3. **Third warning:** The student surrenders the device for the day. The device will be powered off, taken to the school's vault, and locked up. The student can pick up their device at the end of the school day. Parents will be contacted.
4. **Fourth warning:** The student surrenders the device for the day. The device will be powered off, taken to the school's vault, and locked up. The student can pick up their device at the end of the school day. Parents will be contacted to meet with the administrator to make a plan moving forward.

Frequency, repetition and/or the escalation of a minor incident can become a major incident if a student is non-compliant in surrendering their device.

INAPPROPRIATE COMMUNICATION

The taking, disseminating, transferring, or sharing of obscene, pornographic, or otherwise illegal images or photographs, whether by texting, direct messaging, Social media or any other method may constitute a crime under state and/or federal law. Any person taking, disseminating, transferring, or sharing obscene, pornographic, or otherwise illegal images or photographs will be reported to law enforcement and/or other appropriate state or federal agencies.

Illegal images, threats of violence or use of bullying language between students by voice mail, social media, texting or any other method may have school consequences whether it happens on or off school grounds or during school time and may involve law enforcement.

ELEVATOR

The elevator is for special circumstances only and is strictly off limits to the general population to guarantee its availability for those needing it. Anyone needing to use the elevator due to an injury or illness will need to get permission from the office.

EMERGENCY DISMISSAL AND/OR SCHOOL CANCELLATION

Due to unusual weather or mechanical failure in the building, we may be forced to send students home early without prior notice or cancel school for the day. It is impossible to call all of the parents in such an event. Please instruct your student about procedures to follow in the event of an emergency closure. Emergency announcements or school closures will also be broadcast over radio and TV stations. The most up-to-date information can be found on FlashAlert, found at bit.ly/SLSDsignup.

CGHS will also utilize Remind, a messaging service, to send out messages to students and parents. Student and guardian cell phone numbers will be automatically included in the Remind service.

EMERGENCY PREPAREDNESS DRILLS

Fire drills are held once monthly during the school year. A fire alarm is sounded by a continuous audio/visual alarm in the building. As soon as the alarm is sounded, everyone except those in charge, are required to leave the building. All students and staff must walk directly to the designated exit, unless otherwise directed by school officials or emergency responders. **DO NOT RE-ENTER THE BUILDING UNTIL THE ALL CLEAR SIGNAL HAS SOUNDED.**

Earthquake drills, held twice a school year, are indicated by a verbal announcement over the intercom system. In the event of an earthquake, students are to remain in the building until instructed to exit.

In all emergency situations students are to quickly and immediately follow directions of the supervising adult under the direction of an administrator.

FOOD AND DRINK POLICY

In order to protect and preserve the quality of our school, the following guidelines will be in effect:

- Staff members will make rules and policies that govern the consumption of food and drink in his or her classroom. Students are to pick up after themselves and clean up messes on campus.
- Privileges may be revoked by the principal for individual students or the collective student body at any time.

GUESTS AND VISITORS

Parents and guardians waiting to pick up a student must remain in their vehicle or wait outside, in front of the office. No parent or guardian should wait in the commons area. Guests of students are rarely allowed to be on campus during the school day. All visitors have to stop at the office to be issued a guest pass. Administration must approve the guest pass one day before it is issued. Guests must never enter a classroom unannounced. Visitors must provide a picture ID in exchange for an administrative guest pass. This pass must be worn during the entire visit here at CGHS. Guests and visitors who do not follow these guidelines may be trespassed from campus and CGHS events.

Service animals are allowed on SLSD property.

HALL PASSES

All students in the hall during class time must have a pass from a teacher or staff member. Standard passes will be issued by administration for all classrooms. Students found to be misusing hall passes may lose their ability to use them.

Students should come to class prepared and with their materials and may not be allowed to return to lockers during class periods except in special circumstances.

IMPORTANT INFORMATION/CALENDARS

Important information will be posted on CGHS website at slane.k12.or.us/cghs or on the Google Calendar site: bit.ly/CGHScalendar. Please take time to review the calendar so that you can be more involved with your student's education. Hard copies of the calendar will be available in the main office.

LIBRARY

The library is open from 7:45am to 3:30pm. Books may be checked out for two weeks. Renewals require that the book be re-stamped. A fine may be charged for an overdue book, and students may not borrow another book until the overdue book is returned. A fine is assessed for books lost or damaged.

Because the library is used for both research and reading, it is necessary to maintain a quiet atmosphere for study. Students will enter and leave quietly. During class periods, individual students must have a pass from a teacher and must sign in at the front library desk. Speaking or studying together will be permitted only with permission of the supervisor. Library materials may be used for study whenever students wish. All materials should be returned to their proper places at the end of the period. Also, for security reasons backpacks are not allowed in the library. Library privileges can be revoked for failure to adhere to conduct mentioned above.

LOCKERS

Lockers are available for student use. They are assigned at the beginning of the school year. The school does not guarantee the safety or security of items kept in lockers. Students are assigned to individual lockers and only the assigned student may use the locker. A built-in combination lock is provided. Students are not to use personal padlocks. Please report defective locks to the attendance secretary. Students will be billed for damage to lockers/locks. Students must notify the attendance secretary prior to moving out of their assigned lockers.

LOST AND FOUND

The lost and found is located by the counseling office. Articles of value left in lockers at the end of the school year will be placed in the lost and found and unclaimed items will be given to charity mid-June.

Students may be assigned a lunch detention for a variety of reasons. Lunch detentions will be in room 115 and officially start 5 minutes into lunch (11:50 MTuThF, 11:32 W). After that, a student will be considered skipping and will earn an additional consequence in addition to the missed lunch detention.

Lunch detention will last the duration of lunch. Lunch will be delivered to room 115. Electronic devices will be collected by the campus security. Any device used during lunch detention will earn additional consequences.

Wednesday School is an after school detention from 1:10 - 2:10 pm, students need to be in room 115 by 1:10 pm to be counted as in attendance. After that, a student will be considered skipping and will earn an additional consequence in addition to the missed Wednesday School. Like lunch detention, student devices will be collected and any device use will earn additional consequences.

RELEASE PERIOD

Juniors and seniors who are on track for graduation, maintain positive attendance and are passing all of their current classes will be allowed to have a release period in their schedule. A release period will only be allowed at the beginning or end of the school day. When a student has a release period, the student cannot remain on campus unless working with a staff member.

Students that have a release period maintain positive attendance, meaning that they must have a yearly attendance rate of 90% or better. Students who fail to improve their attendance will have their release periods reassigned to an academic class.

Students should be aware that their belongings, vehicles and lockers may be searched by the school administration given the establishment of reasonable suspicion. Parents will be notified after a search has been conducted.

SKATEBOARDS, ROLLER BLADES, SCOOTERS AND BICYCLES

Social media accounts used for cyberbullying or harassment that cause a disruption at school will have consequences.

Social media, instant messaging, and texting during are distractions that can disrupt the learning experience. Students are expected to focus on their academic success during instructional time.

STUDENT DATA FORM

Parents **must fill out** a Student Data Form.

1. The Student Data Form contains emergency numbers and important health/medical information (drug allergies, etc.).
2. You give permission for your student to participate in field trips and for photographs of them participating in school activities to be used in publications.

Each student must have a form on file in the office. **Please notify the office if there are changes, so our information remains current.**

SURVEYS

We will collect survey information throughout the year. Participation is voluntary in compliance with the Grassley Amendment where no student can be required, as a part of any program, to take part in a survey, analysis, or evaluation about certain topics including political affiliation, psychological problems, or critical appraisal of others, and certain related topics. To opt out, contact our front office.

Students driving their cars to school must register their vehicles prior to bringing them on campus.

Students parking on campus are required to purchase a parking permit. The cost of the permit is \$10.00, and must be prominently displayed while on school property.

Students parking is prohibited in **reserved parking spaces**, in the **LCC or Riverside Church parking lots** or **roadways leading to these establishments**, or the **West Parking Lot** during school hours. **Students will be given 1 warning and repeat parking violators will have their cars towed.**

Students who park their cars in an improper manner are subject to loss of parking privileges, having their car towed at their expense, and/or a written complaint filed with the Cottage Grove Police Department.

STUDENT PICTURE BOOK

All students are required to have their picture taken during registration. The purpose of the picture is to provide assistance to staff when the identification of a student is necessary. Students may not wear a hat for this picture.

SUPERVISION BY NON-CERTIFIED EMPLOYEES

Bus drivers, custodians, educational assistants and secretaries assist at times in supervisory capacity, under the direction of an administrator. Students are expected to comply with the request of any school district employee on duty.

SURVEILLANCE RECORDING - BOARD POLICY #ECAC

CGHS has video surveillance cameras that provide school officials and Cottage Grove Police Department footage of the campus exteriors and inside the building. Video captured on these cameras may be used as evidence for infractions of school policy and/or criminal law violations.

TEACHER/OFFICE AIDE

Students in grades 11th and 12th grade may request to be a teacher or office aide. To be accepted, students need to be on-track to graduate, maintain good attendance and be in good standing.

When a student is an aide for a teacher or the office, they are expected to be in their assigned classroom or the office the entire period unless directed to complete a task. In addition to daily tasks, teacher aides will be expected to take on a mentor role to help the students within that class as directed by their teacher.

As an aide, students will follow staff instructions, be a good representative of CGHS behavior expectations, maintain the trust of their teacher/office staff and maintain confidentiality. If a student cannot maintain those standards, they will be reassigned to an academic class.

Students that are teacher and office aides must maintain positive attendance, meaning that they must have a yearly attendance rate of 90% or better. Students who fail to improve their attendance will be reassigned to an academic class.

STATE AND FEDERAL GUIDELINES

FREEDOM OF EXPRESSION

Citizens of our country are permitted free expression under the first and fourteenth amendments of the United States Constitution and under Article I, Section 8, of the Oregon Constitution. Students, as citizens, have the right of free expression and must also bear the responsibility for the consequences of such expression. Students are entitled to express their personal opinions under all reasonable circumstances. However, symbolic or actual expression shall not interfere with the freedom of others to express themselves nor shall it substantially disrupt the orderly conduct of the school.

1. School Publications

All aspects of school-sponsored publications, including web pages, newspapers and/or yearbooks, are completely under the supervision of the teacher and principal. Students may be required to submit such publications to the administration for approval. Students are encouraged to participate in the production of school publications. Any publication, which is in any way

sponsored or funded by the school, is a school publication. Students may express personal opinions in these publications but shall adhere to the written editorial policies of the school. A school newspaper should reflect the total life of the school community. Those students responsible for the publication of a school newspaper must be mindful of this responsibility to the total school community. Profane or obscene material; knowing or reckless false or libelous statements; and any material that would substantially disrupt classes or other school activities are prohibited from all school publications.

2. Distribution of Material

a. Rights and Responsibilities

Students have the right to distribute and receive written material from each other. This right, however, also carries responsibilities. Students shall not distribute or display materials that are knowingly or recklessly false or defamatory, profane or obscene, or that tend to create an immediate danger of disruption to the orderly operation of school, or urge the violation of the law, or existing attendance regulations, or the provisions of this handbook.

Materials to be distributed or posted within the school must identify the source of the printed material. Materials that students choose to distribute do not carry the endorsement or sponsorship of the school.

b. Commercial and Fund-Raising Activities

Students shall not distribute or display announcements or advertisements of a commercial nature, or sell materials, or engage in activities to solicit financial contributions without the authorization of school officials.

c. Time and Place of Distribution

School officials may designate the time and place for distribution of written information and related materials so that the activity does not materially interfere with the school program. This policy shall be applied in a manner that is non-discriminatory and that allows the dissemination of diverse viewpoints and discussion of political, religious, and social issues. The policy shall also be applied in a manner that encourages respect for individuals without regard to race, religion, disability, national origin, gender, and socio-economic status.

Local school rules may limit the time of distribution of material, including the circulation of petitions, to periods before school begins, after dismissal, and during lunchtime when such limitation is necessary to prevent interference with the school program. The local school rules may define where distribution of material and circulation of petitions may take place so as to permit the normal flow of traffic within the school.

d. Student Display Areas

Each secondary school will provide at least one student display area of reasonable size and prescribe methods to inform students of the board policy and school guidelines for the distribution of literature and the display of material. This area is located in the main hallway. Students may post notices on community youth activities, events or club information within this area.

3. Participation in Patriotic Exercises

Students may refuse to participate in patriotic exercises so long as the manner of such non-participation does not deny other students their rights to participate or does not disrupt the educational process.

4. Prohibited Speech

The use of profane and obscene language, threats of harm to persons or property, or images, such as the confederate flag, that creates an immediate danger of disruption to the orderly operation of the school is prohibited. *Off-campus and outside-of-school-time speech that violates the District’s Student Code of Conduct may also be the basis for discipline if it has the potential to disrupt or impact the safe and efficient operation of the school or interfere with the rights of others. This includes any communication through technology such as the internet or text messages.*

5. Informal Gatherings

Students have the right to gather informally, but such gatherings shall not substantially disrupt the orderly operation of the school or infringe upon the rights of others.

FREEDOM OF RELIGION

The Constitutions of the United States and the State of Oregon require the public schools to take a neutral position concerning religion. Public schools cannot aid one religion or all religions or prefer believers to non-believers. However, schools may provide instructional activities relating to historical and cultural aspects of religion under the following circumstances: (1) The activity must reflect a clearly secular (non-religious) purpose. (2) The activity must have a primary effect that neither advances nor inhibits religion. (3) The activity avoids excessive entanglement with religion.

1. Student Religious Meetings and Discussions

If secondary principals permit other non-curriculum student meetings or discussions on the school premises during non-instructional time, religious meetings of students that are voluntary and student initiated will also be permitted. Each club shall be supervised by an adult approved by the building principal. Non-school persons are prohibited from directing, conducting, controlling, or regularly attending the activities of such student groups. Except as provided in school board policy for the leasing of school facilities by religious groups, non-students are prohibited from meeting on school premises for any type of religious activity.

2. Release Time for Religious Instruction

Elementary students may be excused from school for up to two hours in any week and secondary students may be excused from school for up to five hours in any week to attend weekday schools giving religious instruction. A written request must be signed by the parent or guardian before the student is released. Religious teachers or organizations are not permitted to promote student participation by directly contacting students on school grounds or by asking students who participate in their programs to recruit students who remain at school. All promotional activities will be conducted away from school.

COMPLAINT PROCESS

The complaint process recognizes an orderly procedure for resolving student complaints. It is the purpose of the appeals and hearings to provide access to appropriate school officials when an informal conference cannot resolve the problem. It is not the purpose of hearings to provide a forum through which non-related issues are conveyed. It is recommended that as many student problems as possible be handled through informal conferences.

The procedures for complaints should allow for:

Step 1: Information Conference

An informal conference between the parties concerned should occur within thirty (30) days of the complaint. The student, parent, or guardian may ask that another staff member be involved in the conference.

Step 2: Building Administration Review

If the complaint is not resolved at the information conference level, the student, parent or guardian, may request a hearing with a building administrator. The request must be in writing and must clearly state the nature and facts of the complaint and what steps have been taken. A hearing will be held within ten (10) school days following the request and the complainant will receive a written resolution within ten (10) school days.

Step 3: District Office Review

If the complaint is not resolved at the building administration level, the student, parent or guardian, may request a hearing with the superintendent.

The request must be in writing and must clearly state the nature and facts of the complaint and what steps have been taken. A hearing will be held within twenty (20) school days following the request and the complainant will receive a written resolution within ten (10) school days.

Step 4: Board Review

If the complaint is not resolved at the superintendent's level, the student, parent, or guardian, may request a hearing with the Board. The request must be in writing and must clearly state the nature and facts of the complaint and what steps have been taken. A hearing will be held within thirty (30) school days following the request and the complainant will receive a written resolution within ten (10) school days.

<h2>STUDENT RECORDS</h2>

PERSONALLY IDENTIFIABLE INFORMATION

The Family Educational Rights and Privacy Act of 1974 (FERPA) permits a school district to identify certain information as "directory information" which may be released publicly without the permission of the parent/legal guardian or the student. The South Lane School District identifies directory information about the student as the following: name, address, telephone number, photo, date and place of birth, major field of study, participation in officially recognized activities and sports, weight, and height of members of athletic teams, dates of attendance, diplomas and awards received, schools attended and other similar information.

Directory information may be used for purposes such as publication of a student directory, parent organization mailing lists, school year books and newspapers, commencement programs and publication of honor rolls and other school information about students in the public media. Such information will not be released for commercial purposes.

Certain student information is considered personally identifiable information and may be released only with prior notification by the district of the purpose(s) the information will be used, to whom it will be released and prior written, dated and signed consent by a parent unless otherwise permitted by law.

Parent/legal guardians and 18-year-old students have the right to notify school authorities within 15 days of receipt of this notice that you do not want an item of directory information released.

STUDENT EDUCATION RECORDS

Student education records containing grades, health cards, and test scores, etc. are maintained on all students enrolled in our school. These records may be inspected by the parents of the student. Upon request, an appointment will be set up.

This is your notification that should your child enroll in another school or school system, an official transcript or copy of the permanent record, the health record, achievement test scores and special education records will be sent to the school no later than 10 days after receipt of the request. Prior to the withdrawal of your child from our district, you have the right to examine your child's records and propose amendments to the records. If a parent or eligible students proposed amendments to the student's education record are rejected by the district, the parent or eligible student is entitled to a hearing on the matter.
